FROM THE FOUNDER & CHAIRMAN'S DESK

Breaking through the barrier of time and space and in the background of privatisation, liberalisation and globalisation, the Law College Durgapur has emerged as first self financing independent college under the University of Burdwan w.e.f. 2005-06 session with 3-year LL.B. degree course and 5-year integrated B.A., LL.B. During my life, I have witnessed so many instances where the people are exploited and did not get minimum of justice. It gives me much pain in my mind. It was my dream from every beginning to establish a quality Law College with a view to build up efficient law personnel who will be dedicated for the cause of Equity,Justice, Quality and Efficiency in the filed of law throughout the world.

We are aware about some of the challenges of 21st Century.

The challenges are :

- Exploration of knowledge of unprecedented units.

- Provision of justice irrespective of caste and creed.
- Promotion of legal education with new modern dimension.

In the light of the emerging scenario, the role of legal education should be redefined. I do believe that Law College Durgapur is in a position to cope with the situation and meet the challenges of recent scenario with all possible efforts.

With warmest wishes

R. N. Majumdar
